Dear Member,

From May to September of this year, the CA and CMA organizations consulted with members, candidates and registered students – as well as the business community, government and regulators – about the prospect of uniting the CA and CMA national, provincial and territorial organizations under a new common designation, Chartered Professional Accountant (CPA).

A [Consultation Report](#) that summarizes the feedback, questions and concerns collected across the country and sets out the next steps in the process, can be found at [CPACanada.ca](http://CPACanada.ca) and on your provincial and national websites.

If you have any questions or comments, please contact us at [Viewpoint@cica.ca](mailto:Viewpoint@cica.ca) or call 1-800-268-3793.
